ABOUT ME

Computer Engineering student focused on AI, NLP, LLM-based applications, and full-stack web development. Experienced in developing NLP models with Python and web applications with Laravel, Vue.js, and databases. Use Docker, Git, and GitHub throughout project development workflows.

EXPERIENCE

Mandatory Intern

Jul 6, 2026 - Aug 17, 2026

RKSOFT Bilisim Teknolojileri A.S.

- Trained a Turkish NER model for PERSON, LOCATION, and ORGANIZATION classes using Python, Hugging Face Transformers, BERTurk, and the Turkish WikiANN dataset.
- Evaluated the model with Precision, Recall, and F1 metrics; performed manual testing and error analysis.
- Developed and tested ChromaDB-based vector search experiments enhanced with NER outputs.

Technical Service Staff

Apr 10, 2026 - May 24, 2026

Burdur Mehmet Akif Ersoy University Faculty of Education, ISKUR

- Maintained, repaired, and troubleshot laboratory computers; provided technical support to academic staff.

Software Development Tools Intern

Nov 2024 - May 2025

Acun Medya Academy, Remote

- Applied Git/GitHub version control, Jira task tracking, Docker environment configuration, and CI/CD workflows.

President of Robotics Society

Sep 2024 - Present

Burdur Mehmet Akif Ersoy University

- Planned and coordinated technical projects, events, and team workflows.

PROJECTS

TEKNOFEST – Autonomous Underwater Vehicle (AUV)

Python

- Researched the system design for the competition and collaborated on planning the control architecture, sensor and hardware options, and Python-based software approach.

Digital Dental World Platform | Full Stack Developer

Vue.js, Laravel, MySQL

- Developed and integrated the Vue.js frontend, Laravel backend, and MySQL database components of a dental-sector web platform. Live site: dijitaldisdunyasi.com.

TECHNICAL SKILLS

- Programming:** Python, C++, JavaScript/TypeScript, SQL, Bash
- Frameworks / Libraries:** Laravel, Vue.js, Hugging Face Transformers, NumPy, Pandas
- Databases:** PostgreSQL, MySQL, ChromaDB
- Tools / Platforms:** Docker, Git/GitHub, Linux (Ubuntu/Debian), Jira, CI/CD

EDUCATION

Burdur Mehmet Akif Ersoy University

B.Sc. in Computer Engineering

English Preparatory Class

GPA: 3.09 / 4.00

Burdur, Turkey

Sep 2023 – Jun 2027 (Expected)

Sep 2022 – Jun 2023

FOREIGN LANGUAGES

English: Elementary (A2)

Turkish: Native
